INSTIGATING YOUR SOCIAL VALUE

Community Building | Place Making | Social Value | Excellent Art

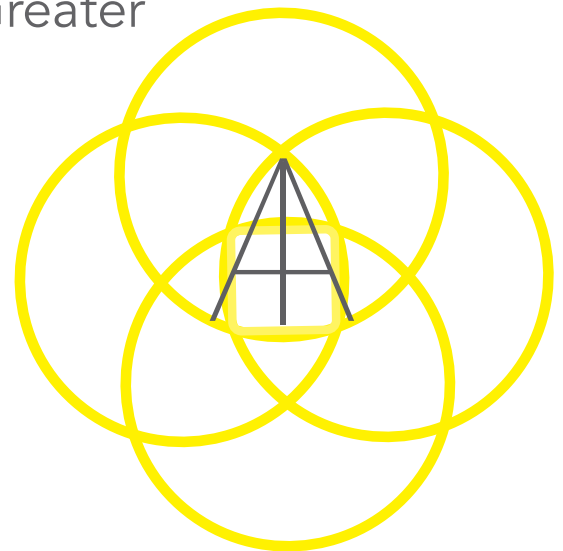

Who are Instigate Arts?

Instigate Arts CIC is an working class artist-led independent Community Interest Company that creates positive social change through arts production and participation.

We develop and deliver team building events, creative workshops and events to help your organisation stay imaginative and connected.

When you support your team with Instigate Arts you are also supporting communities across Greater Manchester.

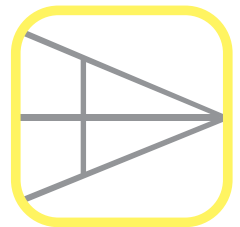

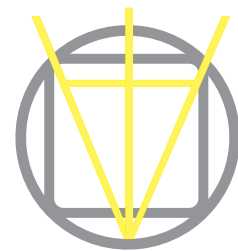

What we offer

- **Expert Facilitators:** Our workshops are led by skilled artists with extensive experience in both art and team-building.
- **Customisable Experience:** We tailor our workshops to meet your specific team-building goals and organisational culture.
- **Community Focused:** Your participation directly benefits local community art projects, enhancing your corporate social responsibility efforts.

Whether you are looking to provide social value outputs as part of a wider project, or deliver meaningful team building and wellbeing experiences for your organisation, we offer a number of different initiatives you can get involved with.
